

**DEPARTMENT OF BIOTECHNOLOGY
UNIVERSITY OF CALICUT
INDUSTRIAL VISIT REPORT - 2019**

The Department of Biotechnology organised an educational trip for post graduate students of 2017-'19 and 2018-'20 batches to the "Pasteur Institute of India" at Coonoor, Tamil Nadu. Pasteur Institute of India represents one of the leading institutes in the production of vaccines that operates as an autonomous body under the Ministry of Health & Family Welfare, Government of India, New Delhi. A group of 15 students accompanied by Dr. C. Gopinathan, Associate Professor, participated in the group tour, during which the students were briefed on the history of the foundation of the institute and explicated to the students about various procedures being performed. The students were provided with necessary information about various vaccines, particularly rabies vaccines and DPT vaccines. This opportunity provided the students with a very perceptive learning experience.
