

DEPARTMENT OF BIOTECHNOLOGY
UNIVERSITY OF CALICUT
ONAM CELEBRATIONS, 2021

The Department of Biotechnology, University of Calicut, Thenhipalam , Onam celebration was organised by the department with much fanfare, involving teaching, non-teaching faculty and students . The festival began with an attractive floral decoration (Pookalam) in the entrance premises that was reminiscent of the agrarian past of Kerala. The exquisite designs and artistic creativity were hallmarks of Pookalam, which turned out to be attractive and mesmerizing and took everyone into a world of festive and fun. The main attraction of the program were onappattu, skits, speeches, group songs and Thiruvathira kali by female students. Another attraction of the day was 'onasadya' that compromised more than 15 vegetable dishes served on banana leaf with deserts.
